

Sunny Days Summer Enrichment Program 2020

What to Wear

- Comfortable, weather-appropriate outfit - check the forecast! We will be inside and outside (weather permitting) throughout the day. Please have your child wear his/her bathing suit to school (under clothing or in lieu of shorts). It can be chilly in the mornings, so a sweatshirt or light jacket is a good idea as well.
- School-safe shoes (for example, sneakers)
- Waterproof sunscreen (please apply at home - do not send to school)

What to Bring

- A large beach towel
- A complete set of clothing, including underwear. All clothing should be comfortable. Pull up pants (no buckles or belts) are easier for changing. Camp can be messy – no special clothing please!
- If your child is not potty trained, please have a supply of diapers and wipes labeled with your child's name each day.
- Snack and lunch*
- A refillable water bottle (labelled with his/her name).
- Campers may bring sunglasses, hats, and a pair of water shoes/sandals/etc. to be used for outdoor water play

A large bag to carry all of the above.

*Snack and Lunch

Please pack a separate nutritious snack for mid-morning snack time labeled with your child's name - this will be placed in the snack bin upon arrival.

In a labeled lunchbox, please send a nutritious lunch. We are a NUT-FREE school - please do not send peanuts or tree nuts or any items that may contain or are manufactured in a facility that processes these items. Due to allergies, we also ask that you not send eggs or mayonnaise.

All foods should be in original packaging with ingredient labels or accompanied by a cut-out or photo of the ingredient label (photos of these can also be emailed). Staff will be checking all foods sent to school - items that are not school-safe will be sent home at the end of the day.

**** All items worn or brought to camp must be clearly LABELED with your child's name! ****
